

ALPHA-VERSION / Terms of Service via the ARTESSERE Platform (www.artessere.com)

Overview of the main conditions:

- * logs and statistics related to the use of each alpha-version of the application will be automatically provided to the site developer as part of the use of ARTESSERE.
- * You can submit suggestions and ideas to the Supplier of the alpha-version of the site
- * In the alpha version of the site, a crash may occur, which may lead to loss of data of this site.
- * You can refuse to participate in alpha testing of the alpha version of the application by removing the alpha version of the application from the device.

The use of the ARTESSERE platform ("ARTESSERE") downloaded via the Internet is governed by the following terms and conditions ("Terms of Service through the ARTESSERE Platform").

Special conditions for alpha-test participants

ARTESSERE platform cannot be used by children under 14 years of age or equivalent minimum age in the relevant jurisdiction. If you are at least 14 years old or have reached the minimum age equivalent to it in the relevant jurisdiction, but are not at least 18 years old, you should review this Agreement with a parent or guardian to make sure that you and your parent or guardian understand and agree to the following conditions .

The ARTESSERE platform is designed to help third-party developers, community members of the project and interested parties ("Application Providers") conduct alpha-testing and improve the performance of the final version of the site, as well as provide alpha-versions of the site to alpha-testing participants. If the Provider of the site instructs you to participate in alpha-testing, and you decide to download to use the alphaversion provided by the Provider using the ARTESSERE platform, then subject to these Terms of Use of the ARTESSERE platform, the Site Provider will provide you with a limited, non-exclusive, non-transferable and nonlicensable license for access, the download and use of which alpha-testing you must participate, and any related documentation available on the Internet, an exception but for alpha testing purposes for a limited time and in accordance with these ARTESSERE Platform Terms of Use.

In the relationship between you and the Site Provider, and regardless of the specified limited license, the Site Provider owns all the rights of ownership, use and disposal of the alpha version of the site, including, but not limited to, intellectual property rights. To the extent that this is permitted by law, you are not entitled: (to modify, extract the source code, decompile or disassemble any alpha-version of the site; (use or lease, loan, sell, sublicense, distribute, communicate or otherwise transfer any alpha-version of the site; (to copy or otherwise reproduce any alpha-version of the site.

You agree to make reasonable efforts to alpha-test any alpha-version of the site.

You acknowledge your knowledge that the alpha-versions of the site are pre-release, alpha or beta versions of the software and, therefore, incomplete or containing errors or inaccuracies. Do not use alpha-versions of the site on commercial equipment and do not work with them with important data. The website provider will not be liable for monetary or other losses that you may incur as a result of using alpha-versions of site, including, but not limited to, damage, loss or damage to software, information or data. In addition, alphaversions of the site may not be compatible with the production applications and the site.

You hereby acknowledge and agree that you use the alpha-version of the site exclusive at your own risk. If you decide to evaluate and test the alpha-version of the site through the ARTESSERE platform, you do this on your own initiative and are responsible for compliance with all applicable laws. Access to alpha-versions is limited in time, and on the ARTESSERE platform may change the terms of its provision, restrict or suspend access to the alpha-version without notifying you and without bearing any responsibility to you. You also understand and agree that certain information about the alpha version of the site downloaded using the ARTESSERE platform may be available to you only after you log on to the Internet, including, but not limited to, age rating, minimum hardware requirements and availability Purchases within the alpha-version of the site (i.e., in-app purchases). By testing the alpha-version of the site, you consent to the use of the alpha-version of the site without the availability of such information and disclosed information.

You acknowledge and agree that you will not receive compensation for the evaluation of any alpha-version of the site or the Input data on the alpha-version, and you will independently bear all the costs associated with using the alpha-platform and any alpha-versions of the site (for example, expenses on mobile communications and information). Besides, Complaints regarding the alpha-version of the application should be addressed directly to the Site Provider.

Alpha Test Data and Alpha Reviews

When using the alpha-version of the site through the ARTESSERE platform

The ARTESSERE site provider can automatically collect data about you and about failures and your use of the ARTESSERE platform and alpha-versions of the site ("Data on testing alpha-versions»), and you cannot refuse to collect data during testing alpha-versions.

ARTESSERE will also provide you with the opportunity to send feedback on the alpha-version of the site ("Feedback on the alpha-version") in writing or in the form of images (screenshots, comments, etc.) to the company of the developer and (or) Site Providers. By submitting an Alpha Feedback, you acknowledge and agree that you are doing this on your own initiative and that the Site Provider will be entitled to use your Alpha Feedback in the manner described below.

The site provider may use the received Alpha Test Data and alpha feedback to improve its Product and related products and may contact you regarding your use of its alpha-version of the site.

Alpha-version data and alpha-version reviews may contain identifying information and information about your device, including, but not limited to, various unique device identifiers, hardware and operating system specifications, performance statistics, and how you use the device, system and software applications, information about data transmission over the network and about connected devices. Feedback on the alpha-version must be written in a respectful form, it should not be offensive, aggressive and derogatory phrases, images and screenshots.
